

REMARKS/ARGUMENTS

Claims 1-2 and 31 have been allowed.

The amendments are fully supported by the original disclosure and, thus, no new matter has been added.

Entry of the amendments is requested to change the title of the subject application and to correctly list the U.S. serial number of a commonly assigned copending patent application.

Applicants submit that the claims remain allowable for the reasons of record. The Examiner is invited to contact the undersigned if any further information is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
